Inyo County Environmental Health Services
P.O. Box 427
Independence, California 93526

Dear Mr. Moskowitz:

The California Environmental Protection Agency (Cal/EPA) and the State Water Resources Control Board conducted a program evaluation of the Inyo County Environmental Health Services' Certified Unified Program Agency (CUPA) on October 3 and 4, 2007. The evaluation consisted of a review of program elements, an in-office program review, and an field oversight inspection, by State evaluators. The evaluators completed a Certified Unified Program Agency Evaluation Summary of Findings with your agency's program management staff. The Summary of Findings includes identified deficiencies, a list of preliminary corrective actions, program observations, program recommendations, and examples of outstanding program implementation.

Cal/EPA has received documentation of corrective actions taken by Inyo County Environmental Health Services' CUPA for the deficiencies found during the evaluation process. After reviewing the Evaluation Summary of Findings and the documentation of corrective actions, Cal/EPA finds that all deficiencies noted in the Evaluation Summary of Findings have been corrected.

Cal/EPA appreciates the actions taken by Inyo County Environmental Health Services' CUPA. Based on these corrections, Cal/EPA has modified Inyo County Environmental Health Services' CUPA's rating on the evaluation from satisfactory with some improvement needed to meets program performance standards.
